Diamond Systems Announces the End of Life for the Opal-MM PC/104 Opto In & Relay Out Module

Due to the availability of a replacement model for the Opal-MM I/O module, Diamond Systems will no longer offer the OPMM-XT as a standard product with off-the-shelf availability. Please note the last order date and last shipment date above. Shipments are limited to stock on hand

Replacement Products

The [Opal-MM-1616](#) PC/104 Opto In & Relay Out Module, model number OPMM-1616-XT, is a direct replacement for the OPMM-XT product, offering twice the number of input and output channels.
